

## KEYNOTES, WORKSHOPS & CONSULTING

### UNBEATABLE ENGAGEMENT

**What keeps your customers coming back with more business?** After all, they can buy your products or services elsewhere, often at a lower cost.

You create customer loyalty because of **HOW** you deliver your product or service. You execute better and offer a unique experience. That experience results from your commitment to build a vibrant company culture and engaged workforce.

In his Unbeatable Engagement keynote, Brian shares ideas with his audiences so that they can take their companies to new levels by growing their cultures and creating world class employee engagement.

### SAFETY FROM THE C-SUITE

Today's executive must know how to lead people safely. This is a critical component of enterprise risk management. It cannot be delegated. Companies that make prevention and risk management core competencies enjoy a sustainable competitive advantage against their peers. Brian brings real-world perspective to his audiences and will share ideas for business leaders to grow their safety cultures and improve outcomes.

### MAKING SAFETY HAPPEN, A NEW ON-LINE COURSE

Brian has combined everything he knows about building a positive safety culture into a new, six module on-line course. The course is available to your team on demand and is accompanied by six monthly on-line workshops.

### LEADING PEOPLE SAFELY

An investment in your safety culture is an investment in your bottom line. Safety is at the foundation of excellent operations. Brian shows audiences around the world how to develop and anchor a behavior based safety environment that promotes accountability. Brian offers "high value/low cost" tools that participants can implement immediately. Leading People Safety is rooted in Brian's real world experience leading safety sensitive companies.

### WHEN "IT" HITS THE FAN: HOW TO CONTROL LOSS POST INCIDENT

The goal of this session is to provide attendees with a toolkit of actionable items that will help them better manage risk and claims. In today's litigation environment, operating companies must actively and aggressively participate in the loss control process. Brian will share actionable tips for companies to control loss and build resilience.

### ROADMAP TO FLEET SAFETY

Companies operate fleets in unforgiving environments. Distractions and crash risk are everywhere. Safe outcomes are tied to individual and company behaviors. Brian will present Ten Keys to create fleet safety. In this best practice session, we'll explore how employers can positively impact employee behaviors to reduce crashes and promote positive outcomes.
